Joint Motion to Enter Protective Order

The parties jointly request entry of the proposed Protective Order in this action for the following reasons:

1. On June 29, 2015, the Court granted Plaintiff's Motion to Conduct Jurisdictional Discovery. (Dkt. #23.)
2. Since that time the parties, through their respective counsel, have met and conferred regarding the need for and terms of a proposed Protective Order. The purpose of the proposed Protective Order is to preserve the confidentiality of certain specified types of documents and information.
3. The parties, through their respective counsel, have made minor revisions to the model protective order included in the Northern District of Illinois' Local Patent Rules. Attached to this Motion as Exhibit A is a redline of the proposed Protective Order highlighting the changes made from the model protective order.
4. Accordingly, the parties jointly request the Court enter the proposed Protective Order attached as Exhibit B.
